PREPARATION CHECKLIST

ACADEMIC YEAR 20____ - 20____ STUDENT NAME _____ GRADE ____

As you work through the Daily Log sheets, you will find it desirable to make notes to yourself about things you need to prepare, get or do in advance of particular lessons. You will find this Checklist a most helpful tool for this purpose. For Public Library resources to acquire, see over the page. Use this sheet to cover the entire year or half-year, or each quarter, term, semester, month or unit. If your units are further divided into chapters, modules, or segments of another sort, use one sheet for each of those.
